Humanities**

TITLE OF THE EVENT	Science Day Celebration (2021-2022) To commemorate the discovery of Raman Effect, each Year National Science Day is celebrated in India on 28 th February. For this discovery, Sir C. V. Raman was awarded the Nobel Prize in Physics in 1930
OBJECTIVE	The basic objective of National Science Day is to spread the message of the importance of science and its application among people.
PLATFORM	Microsoft Teams
DATE OF EVENT & TIMING	28th Feb 2022
NO. OF PARTICIPANTS	300

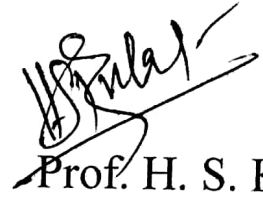

<p>Briefing of the Program</p>	<p>On the eve of National Science Day, a webinar was organized by Department of Applied Sciences and Humanities. The theme of the webinar was, "An Integrated Approach in Science and Technology for Sustainable Future." Our Hon' Principal, Dr. D. T. Ingole chaired the session and Dr. Deepak Dhote, Principal, BrijlalBiyani Science College, Amravati delivered the lecture.</p> <p>Dhote Sir briefed us with the importance of National Science Day Theme 2022. He insisted the students and faculty members to give a thought over it. He put forward the message that multidisciplinary projects and researches can lead to more sustainable future. He narrated short stories of the Nobel Laureate, one of the Great Indian Scientist, Chandra Shekar Venkata Raman. He said, eventhough Sir received very low funds for the experiments to be carried out in Research Laboratory, he continued his work. He had thirst for knowledge and a desire to contribute for research in India. And no matter what, finally his dream came true.</p> <p>Hon' Principal, Dr. D. T. Ingole in his speech called attention to some of the personal traits of Sir C. V. Raman.</p> <p>The Introduction of the Guest Speaker was given by Prof. H. S. Kulat. The program was conducted by Dr. S. A. Patil and vote of Thanks was proposed by Dr. G. B. Malviya. The Technical Support was provided by Prof. Zeeshan Khan.</p>
<p>OUTCOME</p>	<p>The students were briefed with importance of Science and its application, how multidisciplinary projects and researches can lead to more sustainable future. Short stories of Dr. C. V. Raman were narrated to them. The listened carefully & had a good interaction with speaker.</p>
