About the Programme

Jointly organized by Multimedia University, Universita Mercu Buana, Bina Global University and Universitas Padjadjaran, the International Student e-Exchange Programme focuses on making an impact via social innovations. It is a collaborative effort to foster international collaboration and cooperation amongst university students from across the globe in addressing the various economic, social and environmental issues faced by the local communities. It encourages communities with efforts to generate social innovation ideas that transcend boundaries and contribute towards the achievement of the 17 United Nations Sustainable Development Goals. The programme will feature expert talks, seminars, panel discussions and group work to come out with sustainable social innovations that will have a impact on our communities.

SUSTAINABLE DEVELOPMENT GOALS

The 17 Sustainable Development Goals (SDGs) are a set of 17 goals that the United Nations has adopted to end poverty, protect the planet, and promote peace and prosperity for all people by the year 2030. The goals are:

1. No Poverty
2. Zero Hunger
3. Good Health and Well-being
4. Quality Education
5. Gender Equality
6. Clean Water and Sanitation
7. Affordable and Clean Energy
8. Decent Work and Economic Growth
9. Industry, Innovation and Infrastructure
10. Reduced Inequalities
11. Sustainable Cities and Communities
12. Responsible Consumption and Production
13. Climate Action
14. Life Below Water
15. Life on Land
16. Peace, Justice and Strong Institutions
17. Partnerships for the Goals
